- BLACK VELVET:** Our Black Velvet brushes were created for watercolor artists and skilled hobbyists. Each Black Velvet brush is soft enough to add color without disturbing previous layers but firm enough to lift color when needed.
- MATERIALS:** Our Black Velvet professional watercolor brushes are expertly crafted with a luxurious blend of squirrel hair and black synthetic fibers. Each brush has a short handle that is finished with sophisticated black lacquer.
- ROUND ARTIST BRUSH:** The Black Velvet 3000S is a multi-use, round brush. Artists prefer to use this brush for wide strokes or thin lines. It is made with an extra long tip and wide belly. The 3000S is also ideal for perfecting exact details.
- PAINTS:** Our Black Velvet brushes are best paired with watercolor. Each brush will hold the right amount of color, giving you more time to focus on your masterpiece. Watch your ethereal creations come to life with our premium-quality brushes.
- OUR STORY:** Silver Brush Limited is the premier supplier of fine painting supplies in the United States. We have created a remarkable collection of high-quality artist brushes. We believe that high-quality brushes lead to higher-quality art.
