SERVICE ON SITE SERVICE

We service all major brands of hoists and lifts, A/C machines, tire machines and more. Trade-ins are accepted and welcomed on shop equipment. We are a certified service center for Rotary, Coats, Robinair, Mahle and Parker Legris Transair.

INSTALLATION

We install all major brands of lifts and hoists, tire machines, air compressors, air lines, oil lines, and waste oil heaters.

You name it – we likely install it!

INSPECTION

We inspect all major brands of hoists and lifts, following the current edition of ANSI/ALOIM, to bring lift owners into compliance with MSHA and OSHA. We also inspect tire equipment, A/C machines and waste oil heaters.

We recommend scheduling inspections annually to keep your equipment running like it should, eliminate downtime and perform preventative maintenance.
