ZG LOCAL

A ZG Local event is a more convenient event based locally allowing for little to no travel between sites. These events have even competition at all levels. ZG Local events are perfect for younger and beginner teams to dip their toes in the club basketball circuit!

ZG MAJOR

A ZG Major event is a more competitive event than other Zero Gravity events during the season. These events allow competition between the best teams who travel regionally to compete. There is extended playoff format allowing for more games to be played on the road to the championship. ZG Majors also hold more weight in rankings consideration.

EXPOSURE

ZG Exposure events are ideal for teams that are looking to gain exposure to college programs. These are more competitive events, that often bring talent from all across the region to compete at the highest level in front of D1, D2, D3 and Junior Colleges.

SHOWCASE

Showcases are designed specifically to give players a chance to be seen, get better, and play against the best in their area. The goal is to provide the very best student athletes an opportunity to be seen by the best D2, D3, and Junior Colleges in the country. Showcases can differ from traditional event by offering a "combine style" of play rather than a playoff format.
