AiroPro Rechargeable CBD Vaporizer - 320mAh Battery

If you are looking to get the best flavor out of your CBD vaping experience, chances are you have already found out about the delicious CBD cartridges made by AiroPro!

The AiroPro Rechargeable CBD Vaporizer is the device that is designed exclusively to house these incredible CBD pods!

Furthermore, if you live in a legal state you can also use the AiroPro THC cartridges with the AiroPro vaporizer!

Its sleek and slim design allow it to be used discreetly in any public atmosphere, while still packing a hefty enough battery to deliver you the vapor you are looking for!

You will also know that the AiroPro Rechargeable CBD Vaporizer is working as the device delivers a gentle vibration to indicate it's active.

Its 8.5 watt output provides you with a 2 second draw each time you hit it. Not only is it rechargeable, it gradually tells you its power level!

So no matter if you're out on the town or just hanging on the couch, you know exactly when you need to charge up!

AiroPro has just released 3 brand new colors!

You can now get the AiroPro CBD vaporizer that can also be used with the AiroPro THC cartridges in legal states, is now available in Arctic, Slate, and Emerald!

Benefits of the AiroPro Rechargeable CBD Vaporizer:

- 150 puffs per cartridge
- Expansive cartridge selection
- Pleasing vibrating sensation
- Better value than disposable
- Recyclable

How to Use the AiroPro CBD Cartridge Vaporizer:

- Insert/drop cartridge into device
- Draw on mouthpiece to activate vaping
- Device vibrates to indicate that it's active during usage

Active Feedback Indication:

- One pulse = 30% battery capacity remaining
- Two pulses = 20% battery capacity remaining
- Three pulses = 10% battery capacity remaining
- Halo flashes 10 times = battery expired and needs to be charged

What's Included with the White AiroPro:

- AiroPro CBD/THC Vaporizer Device in Arctic, Emerald, or Slate
- Micro USB Charging Chord
- User Manual

AiroPro Rechargeable Specifications:

- Closed system, not compatible with other vaporizer cartridges
- 6082-T6 Aluminum Alloy Body
- 320 mAh Li-on Battery
- 8.5W power output
- Serving Size: one 2 second draw; each vaporizer provides 150 puffs

Recommended Storage

To preserve the outstanding quality of your AiroPro CBD Rechargeable Vaporizer, please store in a cool, dry place away from excessive heat, light, or humidity.

Warning

The AiroPro CBD Rechargeable Vaporizer is not to be used during pregnancy or lactation. If you have a medical condition or take pharmaceutical drugs, please consult your physician before use. Keep out of reach from children.
