

## MoxiTalent

### Recruit and retain the best agents for your brokerage.

MoxiTalent helps your recruiters and managers to recruit and retain agents for your brokerage, giving you a competitive edge in your market. Its intuitive interface reminds users of task due dates, prioritizing tasks for highly valued recruits. Recruit the right people and encourage agent loyalty and retention with MoxiTalent.

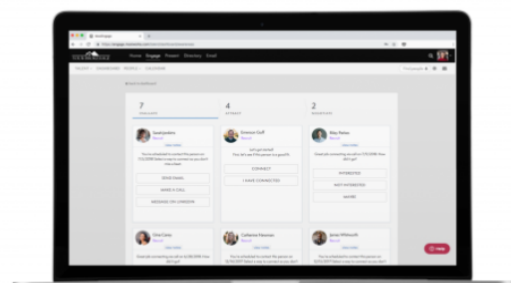

#### Identify who to recruit

MoxiTalent leverages sales data to identify which agents managers should focus on, ensuring they recruit the agents that will help reach your brokerage's sales goals. It also prioritizes tasks, so managers focus on the recruits that could really count.

#### Leverage a guided recruiting flow

MoxiTalent guides recruiters and managers to move candidates through the recruiting process, similarly to a sales flow. They are prompted to take the right actions at the right time in order to win over those high-value agents.

According to NAR, 84% of brokerages with four or more offices are actively recruiting. Recruiting real estate agents is key component to the growth of

your brokerage, and with MoxiTalent, your team can get ramped up in just 5 easy steps.
