TAVA'S VALÉ30

\$64.95

Valé30 is a liquid extract and highly suitable for those with busy lifestyles or digestive concerns. Not only is Valé30 a potent source of Vitamin A; its unique antioxidant blend of Coenzyme Q10, Lycopene, Green tea extract, Lutein, Carnosine, Inositol, and Resveratrol may provide antioxidant protection and support the body's energy production. Valé30 also contains your daily dose of glucosamine to preserve joint health and provides 95% of your daily recommended intake of Vitamin D3. And if that's not enough, Valé30 is also packed with vitamins B1, B12 and B6.

Valé30 results may result in higher bioavailability, thus allowing more of Valé30's vital ingredients to assimilate quickly and efficiently.
