See how safely you drive

With SMARTtrek®, you can see how safely you drive and learn interesting facts about your driving. Get feedback and tips to help keep you, your friends and your family safe on the road.

*Access to SMARTtrek is available in some states and by invitation only.

Key features include:

- Check out your driving scores after every trip, letting you know how safely you drove overall and for five key driving factors: Smooth Driving, Speed, Phone Habits, Time and Day, and Trip Duration.
- See exactly when and where you drove on a map showing any risky driving events that occurred, so you can pinpoint where to make improvements.
- Get safe driving tips to help you stay safe on the road.
