Verex Vial Information

High Quality Glass HPLC, GC, and Autosampler Vials to Meet Your Needs

Verex HPLC, GC, and autosampler vials offer the lowest ion content possible to reduce sample loss and contamination. From start to finish, Verex HPLC, GC, and autosampler vial and cap products are manufactured to provide high quality, state-of-the-art solutions for your most challenging, sensitive applications. No vial is placed in inventory without passing cleanliness and performance testing for consistency resulting in a certified, 100% defect-free vial you can trust. Try Verex in one of the following configurations:

- [Specialty Vials >](#)
- [Crimp Top Vials >](#)
- [Screw-Top Vials >](#)

- [Snap Top Vials >](#)
- [VOA/ASE Assembled Vial Kits >](#)
- [VOA/ASE Assembled Storage Kits >](#)

The screenshot shows the Phenomenex website interface. At the top, there are navigation links for 'products', 'tour company', 'phenomenex', and 'blog'. The main header features the Phenomenex logo with the tagline '...breaking with tradition™'. On the right side of the header, there are links for 'Log In', 'Sign Up', and a language dropdown set to 'English'. Below the header, there are buttons for 'MyDashboard', 'Quick Order', and a shopping cart icon showing '0' items. A search bar is located in the top right corner.

The main content area has a navigation menu with links for 'Products', 'Industries', 'News and Events', 'Technical Support', and 'Tour Company'. A large banner for 'Certified Vial Products' features the 'VEREX' logo and the text 'There is a difference!'. Below the banner, there are tabs for 'Overview', 'Technical Resources', and 'Order Now'.

The product details section includes a filter sidebar on the left with dropdown menus for 'Type' (Vial (no cap/seal)), 'Vial Size' (12mm x 32mm), 'Certification' (Certified), 'Vial Closure' (10-425 Screw Thread), 'Vial Material' (Glass, 33 Expansion), and 'Cap Size' (all). The main product area displays the 'Part Number: AR0-3010-13' and 'Description: Verex™ Vial, 10mm Screw Top, 2mL, Clear 33, w/ Patch, 1000/Pk'. It also lists 'Technique: General Lab Supply' and 'Certification: Certified'. A comment states: 'Verex wide-opening vials are easy to fill and are compatible with many non-robotic autosamplers. Made in USA.' There is a 'Display Vial Details' link.

On the right side of the product details, there are three blue buttons: 'Learn More About Verex', 'View Related Products', and 'Add to Virtual Stockroom'. Below these is a 'QTY:' input field with '1' entered, and a 'Limited Stock' warning: 'USD 246.00 (1000/Pk)'. A yellow 'Add to Cart' button is prominently displayed, along with a 'Login to View Promotions' link.

At the bottom of the product details, there is a '10 per page' dropdown menu. Below this is a table with one search result:

Part Number	Description	Price
AR0-3010-13	Verex™ Vial, 10mm Screw Top, 2mL, Clear 33, w/ Patch, 1000/Pk	USD 246.00 (1000/Pk)

The footer contains a 'SITE MAP | CONTACT US' link, a list of legal pages (Terms and Conditions of Sale, Privacy Statement, Quality Policy, Site Terms of Use, Trademarks, California Supply Chains Act, Do Not Sell My Personal Information, Impressum), and a copyright notice: '© 2021 Phenomenex Inc. All rights reserved.' On the right side of the footer, there is a circular logo for 'QUALITY SYSTEM CERTIFICATION' by 'DNV-GL' with 'ISO 9001:2015' below it.
