Our chocolate chip cookie bites are the perfect way to celebrate a special occasion or satisfy an everyday sweet tooth. The deliciously soft and chewy cookies are full of chocolate chips and vanilla for a freshly baked flavor that's undeniably tasty. Since our cookies are peanut- and tree nut-free and do not contain colors from artificial sources, artificial flavors or high fructose corn syrup, you can indulge without concern. Our Specialty cookies are perfect for everyday snacking, gifting, special occasions and party-going and are offered in a variety of flavors to appeal to every cookie-lover.

Features & Benefits

Sweetly Satisfying - Whether you're indulging at breakfast, having a mid-day snack or ending your day with a treat, satisfy your sweet tooth with our delicious mini chocolate chip cookies.

Fresh Baked Taste - Gourmet, bakery-style cookies are a fully finished, ready to eat, convenient bite-sized treat.

Indulge without Concern - Our Specialty cookies are peanut- and tree-nut free and do not contain colors from artificial sources, artificial flavors or high fructose corn syrup.

Perfect for Any Occasion - These 18-count cookie boxes are perfect for gift-giving, holiday celebrations, party-going and enjoying as an everyday indulgence.
