### WHO WE ARE.

TBA offers over 30 years of experience in government relations and strategic business planning. Tonio Burgos spent 20 years in a public service career before he founded TBA. During that time, he developed a wide variety of relationships in the public policy arena. The firm navigates today's public policy and economic uncertainty to strategically address your business needs. The firm focuses on a broad array of sectors:

- Education
- Energy
- Environment
- Food, Drug & Agriculture
- Healthcare
- Labor

- Municipal Strategic Consulting
- Project Development
- Technology
- Telecom
- Transportation & Infrastructure
