Ok App
Good for review of how to use, but other than that it is pretty useless. It would be useful if you could mark what days you use it on a full month calendar. Especially once you read [more](#)

Helps me reach my goal
I have adult ADHD and this app helps me to remind myself to use my device because days go by and I won't realize that I have forgotten to use it so it may not do a lot for all tho [more](#)
