Designed to be used on-the-go, the Ember Travel Mug² does more than simply keep your coffee hot. Our smart heated travel mug allows you to set an exact drinking temperature and keeps it there for up to 3 hours, so your coffee is never too hot, or too cold.

Ember Travel Mug² is easy to clean and is safe to handwash and submersible up to 1 meter in water. The leak-proof lid is dishwasher safe.

SKU: TM191200US | UPC: 810011400115

New Touch Display

Increase or decrease your temperature on the go by tapping the + or - symbol.

Built-In Battery

3 hours* or all day when placed on charging coaster.

Auto Sleep

Intelligently senses when to turn on and off.

Temperature Range

120°F - 145°F (50°C - 62.5 °C). Select your temperature on the mug or with the Ember app.

Precision in the palm of your hands

Ember is smarter than your thermos because it is a connected device. Use the Ember app to set your temperature, customize presets for your favorite drinks, receive notifications when your desired temperature is reached, personalize your mug and more.

Best customer service & product improvement focus

Got this as a Christmas present, use it daily. The 1st Gen. lid broke, contacted customer service, and tadda... a new and improved lid showed up at my door!

Real customer service with a focus on improving your products, keep up the great work!

Yes, I recommend this product.
