Our State System Summit is a unique event that brings together credit union regulators and practitioners for a mutual exchange of ideas, solutions, and dialog. This event is a rewarding opportunity to work together to address the challenges and opportunities facing the state credit union system.

New this year:

- **Visit our Attendee Hub** to access to speaker bios, presentation downloads and on-demand videos of each session. *Registration is required for access.*
- **Participate in S3 gamification!** Earn points just by visiting the hub, and interacting with the site. The top 10 people with the greatest number of points will win a prize.
- **Summit BINGO!** Individualized BINGO cards will be emailed out to all participants on Friday, Aug. 13. Play along during the summit and mark your square whenever anyone says a keyphrase, such as "You're on mute" or an action takes place, for example, having a dog bark.
