About 

Chill with the vibrational cooling power of rose quartz, wherever you go! Rousa, our travel-friendly rose quartz vibrating facial roller massages and soothes puffiness.

Use in an upwards motion to calm puffiness using cool-locking, rechargeable USB technology for a slimming, vibrating massage.

Target your under eyes, cheekbones, and jawline with over 13,000 soothing vibrations per minute to amplify circulation, reduce swelling, and create a visible lift.

**Amazing**

I really love this roller! It is good to have a vibration compared to other usual rollers in the market.

**Works Great and Use Often!**

The Rousa is easy to use every day and very effective in absorbing serums, oils, etc. It exercises your facial muscles to tone them. Buy it and enjoy the results.
