Taste the Difference of SweetHeart Pomegranates!

Taste the difference of SweetHeart Dried Pomegranate Seeds. These are great out of hand or the perfect addition to salads, trail mix, granola, cereal, yogurt, acai bowls, and more! No refrigeration is required with this product, so you can enjoy the great taste of pomegranates all year long! Proudly grown in the U.S.A. in California's San Joaquin Valley, these pomegranates are nothing like you've ever eaten. Our SweetHearts have a softer seed and lower acid ratio than most pomegranates on the market, which means an easier chew with a sweeter taste.

 ★★★★★ **Easier than whole pomegranates!**
 Reviewed in the United States on August 23, 2021
 Verified Purchase

I bought these last year for Rosh Hashanah (in lieu of 20 pomegranates) and several people commented on how tasty and un-messy they were. So I bought more for this year. Easier for me, easier for my guests, and much more economical where I live than whole pomegranates.

I did not know what to expect but I wanted non-perishable pomegranite seeds. They are very tasty and a great snack, but expensive.

\$10 is a waste of money for the tiny 2-ounce packet you get, when you can get 5 ounces for only \$5 more; i.e. \$3 an ounce instead of \$5 an ounce.
