

# A World of Limitless Creativity

New World Inc. is the world's first and largest AR (Augmented Reality) NFT (Non-Fungible Token) sales and distribution platform. New World Inc. provides artists, musicians, celebrities, companies and products with the opportunity to create at a global scale. Purchasable NFT works the size of buildings placed in real-life in real-time.

New World Inc. creates a new relationship between user and creator in an easy-to-use immersive platform that sets the new standard in NFT viewership, sharing, buying, selling, and overall enjoyment.

Welcome to the future.
