### Basic and buggy

Downloaded the app, created an account, signed in and it still doesn't show any ticket information/reservations. [more](#)

### Come on, guys

You have to have used other airlines apps before. 2 things: 1) when I sign in why do I need my email and my password? And why can't I stay sig [more](#)

### New But...

Pretty hard to imagine someone approved the launch of an app that is functionally useless. Trips do not show up at all so the app is basically a pl [more](#)
