Upcoming CHEMTREC News & Events

September 30, 2021 - Press Release

Chief Growth Officer Joins ACC To Lead CHEMTREC® Emergency Response Program

In August, The American Chemistry Council was fortunate to have Bruce Samuelsen sign on as the new Chief Executive of CHEMTREC. Samuelsen comes to CHEMTREC with over 20 years of experience with SERCO where he acted most recently as Chief Growth Officer and previously as Senior Vice President, International Maritime Programs, in which capacity he was responsible for overseeing mergers and acquisitions and leading business development and capture across Serco's North America division and its defense and fed-civ accounts.
