# GENERAL PURPOSE SHELTERS

As the workhorses of our product line, General Purpose Shelters can be used in a wide variety of applications. These portable structures setup in minutes and can remain in use for months on end.

## GATEKEEPER

For almost 30 years, tried and true, GateKeeper design has been one of the most rugged, reliable, and versatile shelter systems on the market. With an extensive suite of purpose built accessories, GateKeepers can be outfitted for any mission in any climate.

[LEARN MORE \(/GATEKEEPER-1\)](#)

## RDS

The Rapid Deployment System is made to meet any mission requirement. This patented truss-style frame system is stronger and more durable than standard “scissor” style frames, and can withstand 300 lbs. hanging load at any point on the frame!

[LEARN MORE \(HTTPS://WESTERNSHELTER.COM/RDS\)](#)

(/guardian-1)

## GUARDIAN

The Guardian shelter series consists of a barrel-shaped frame, made out of fire-resistant fabric, complete with end panels, zippered doors, and window coverings. A thermal liner is also included to help maintain internal working conditions.

**LEARN MORE (/GUARDIAN-1)**

## SENTRY

(/sentinel-1)

## SENTINEL

Fast, lightweight, and inherently modular, the all new Sentry Airframe™ Shelter is well suited for a variety of applications where speed is paramount and manpower is limited.

**[LEARN MORE \(/SENTRY\)](#)**

Quick and easy to deploy, the Sentinel Airframe™ Shelter Series is best utilized for applications that call for a rapid setup with minimal manpower. The Sentinel series is available in multiple configurations and sizes to fit your budget and application.

**[LEARN MORE \(/SENTINEL-1\)](#)**

# HEAVY DUTY

Built to last for years, heavy duty shelters offer many of the benefits of permanent structures, with a faster setup time, and the ability to redeploy to other sites.

(<https://westernshelter.com/containerized-shelter>)

## CONTAINERIZED SHELTERS

Shipping container based systems are an excellent choice for medium to long term applications.

**[LEARN MORE \(HTTP://WESTERNSHELTER.COM/CONTAINERIZED-SHELTER\)](http://westernshelter.com/containerized-shelter)**

([/container-roofs](#))

## CONTAINER ROOFS

Container Roofs are a cost effective means of providing permanent cover over a large area.

# RELIEF SHELTERS

These cost-effective shelters provide protection from the elements and a sense of security to populations that have been displaced by natural or man made disasters.

(/modular-relief-home)

## MODULAR RELIEF HOME

The Modular Relief Home (MRH) series offers an affordable medium to long term solution for housing families displaced by disasters.

[LEARN MORE \(/MODULAR-RELIEF-HOME\)](#)

(/gpr-premium)

## GPR PREMIUM

The GPR Premium is our most versatile relief shelter with three available sizes, a range of applications, and the ability to adapt to different climate zones.
