Chop chop! You'll love using our pair of cutting boards for all kinds of everyday kitchen tasks. With medium and large boards, you'll find the right size for every job—from slicing and dicing produce to breaking down chicken. Made of durable, food-grade plastic, these boards are built to last through countless prep sessions. Plus, the pretty-in-pink design makes even the most dreaded tasks (dicing onions, anyone?) feel a lot more fun.
