

20 Person Mobile Hybrid Container System Camp

MIHCS90

ISO-Registered 9001: 2008

The **MHCS90** is a fully contained 20 Person Billeting/Sleeping System with Ablutions, Sanitation, Power, and HVAC packaged in a standard ISU-90 Container System with basic modifications. Western Shelter has designed the system utilizing our most popular 570 sq. ft. (53m²) GK1935 Shelter System, combined with a newly designed ISU-90 Hybrid Container. The ISU-90 converts to ablutions, laundry, toilet while adding an additional 120+ sq. ft. (11 + m²) of usable floor space and transports the complete camp system.
