## Product description

Raw Supernatural -12 INCH Smoking Papers are a massive 12 inches or 280mm in length. These super natural classic papers come in a thick outer packaging to protect the papers. The papers themselves have a natural light brown colour due to the hybrid blend and unbleached fibres, which results in a thin golden brown almost translucent smoking paper. Each paper is individual watermarked with a Criss Cross which helps prevent runs and creates a more even burning rolling paper. Due to Hemp Gum being used if the gum does not stick as well as you like run the flame of your lighter along the length of the paper to give you a bit more stickiness. Once alight the taste is clean, pure and natural. One single pack contains 20 rolling papers.

★★★★★ papers are great.

Excellent papers. Will buy again. Bbut not from downriver sales llc. You've heard that expression "if it sounds to good to be true then it probably is"? After waiting 5 weeks the 3 x 12" papers deal turned into 1. Wow. Thanks.
