 This is the most amazing pre-roll I've ever seen. A picture does not do justice I'm a grower so you must have a good flower to fill this thing but when you do you can walk on water when you leave. This makes a great gifts filled or unfilled

 I managed to get almost a 1/2 and ounce in this. When this was pulled out, everyone laughed and was eager to try it. It was almost as fun to smoke as the laughs that pursued from smoking. :-)

 Filled it with a half ounce of OG Kush. Smoked with my roommate this Thanksgiving. Easy draws get harsh towards the end. Great for a special occasion. I recommend cracking a window.

 Look i know it's just a huge paper cone but really... package it in something better than a Manila envelope or at least mark it do not bend. The other one is in just as bad of shape. Just shop local for this one lesson learned.

 Do not buy. Sent in envelope. Arrived smashed and bent to hell rendering it useless. Try to buy from a local merchant in person. Waste of money
