## Slam Specialties 4-corner 3/8" valve manifold (Black)

\$414.46

- Slam Specialties 3/8" 4-corner valve manifold
- Rated @ 200psi
- Dual 3/8" push-connect tank inlets
- (4) 3/8" push-connect bag ports
- Slot port exhaust w/ integrated mufflers
- Water tight plug w/ included harness
- Complete w/ mounting hardware

- \*We highly recommend installing a water trap filter between the valve manifold to air tank. This will keep any possible debris from entering the manifold.
- \*Will work with stainless steel hard lines. Experienced installers recommended. Warranty void if customer damages valve manifold. Please be careful.

- Made in the USA
- Designed & Manufactured by Slam Specialties
