25 Myths That Are Destroying the Environment

What Many Environmentalists Believe and Why They Are Wrong

By Daniel B. Botkin Alfred Runte,

Publisher: [Taylor Trade Publishing](#)

Imprint: Taylor Trade Publishing

25 Myths That Are Destroying the Environment explores the many myths circulating in ecological and political discussions. These myths often drive policy, and Botkin is here to set the record straight. What may seem like an environmentally conscious action may very well be bringing about the unnatural destruction of habitats and ecosystems.
