Nothing warms your heart quite like a freshly baked cinnamon roll. Made with 12 grams of whole grains and swirls of cinnamon, this snack bar has everything you love about soft, doughy cinnamon rolls without the mess.

Good product, yummy warmed up

Comments about Cinnamon Roll

I warmed this bar up for about 10+ seconds and ate it warm. It's fantastic that way. And since it's kid sized it's a perfect little snack

Best BAR EVER

BY CINNAMON ROLL LOVER 21

This is a really really good multi purpose energy bar. The taste of this bar is better than an actual cinnamon roll and brings a texture I have never felt in an energy bar ever before.

Bottom Line Yes, I would recommend to a friend

Comments about Cinnamon Roll

Zbars (all flavors) are my kids favorite snack for school. I am happy they are getting in a nutritional snack that holds them over until meal time. Also they are an easy and yummy treat to bring when we go for our trail walks! Cinnamon Roll and Smore's are our favorites!
