ALL NATURAL

SMALL BATCH

PREMIUM INGREDIENTS

Explorer is your specialty coffee shop in a bottle, and now our **flavor elixirs** are here to take it to the next level, creating a truly indulgent, hand crafted, coffee experience at home.

Our all-natural flavor elixirs are artisanally made in small batches, and designed with our Explorer Cold Brew in mind, pairing beautifully to take your coffee-drinking experience to new heights. But, don't stop there - the flavor elixirs are also designed to be mixed into cocktails, sodas, and more.

Our Flavors:

Himalayan Sea Salt Caramel: indulgent and buttery, with a hint of sea salt at the finish.

Madagascar Vanilla: light, simple, and luxuriously flavorful. The purest vanilla to infuse your cup.

Simply add 1 or 2 tablespoons to your favorite Explorer Cold Brew drink.

100% Happiness Guaranteed. If you're not satisfied, we'll refund you. No questions asked.

Process

Hand-crafted and small batch blend of premium, all-natural ingredients

Story

Inspired by many trips around the world, these premium flavor syrups are designed to elevate the Explorer coffee experience.

OUR REVIEWS...

Hear from some of our 1000+ customers!

Obsessed!!!
 This is the best cold brew I've ever had. I love the fact that you can choose what caffeine level you want. Also you can make any drink...

Easy to use, smooth flavor
 The coffee concentrate can be used in different recipes but the easiest way is to make a nice coffee brew. I used the Classic Black Cold Brew Concentrate...
