## Details

### Premium Deodorizing Additive!

HYDROCIDE is an amazing new odor counteractant. It contains an odor neutralizer that binds to and absorbs odors no matter what the source. It can handle odors from humans, animals, food, chemical processes and smoke. Use HYDROCIDE with Water Claw to treat severe urine contamination or just add it to your pre-spray to treat areas of concern prior to cleaning. HYDROCIDE works immediately, making your cleaning job more pleasant. This amazing chemical does everything its competition does but without that pungent chemical odor and without any re-soiling residue! As a bonus, HYDROCIDE contains a polymer in the formula that helps to slow re-soiling of the treated area. It will make your reputation as a professional cleaner even stronger!

#### Product Features:

- Eliminates odor on contact
- Eliminates odor permanently
- Destroys odors in carpet, upholstery, mattresses, and grout
- Works on urine, vomit, decay, skunk, and much more
- No additives needed
- No oxidizers
- No enzymes
- No bacteria
- No chemical desensitizers

Dilution Ratios: 4-8 oz./gal. RTU pH: 6.5 Contains: 1 gallon
