

## Our Story

Imagine the perfect coffee-shop experience. Now imagine it on wheels, conveniently coming to your neighborhood everyday, fueled by the most state-of-the-art technology anywhere.

That's Zing.

We bring coffee and other treats to your streets, mixing total reliability with the sheer joy of doing what we do. And all powered by an app that makes every customer experience a breeze. We're about sparking your day — and the whole community. Mmm.
