### Bulk what makes sense

- Internet**  
Future-ready your property and deliver high-speed internet for less.
- Media**  
Give residents ready-to-watch content they love, on all of their devices.
- Smart Apartments**  
Offer residents a luxury living experience they'll come to crave.
- Cellular Data**  
Get ahead of 5G and cellular networks by monetizing your rooftops.

### Services for you, staff, residents...

and your bottom line.

#### Services

From contract negotiation to total bulk program success.

01 *Service Negotiation*

02 *Financial Impact*

03 *Program Deployment*

04 *Program Support*

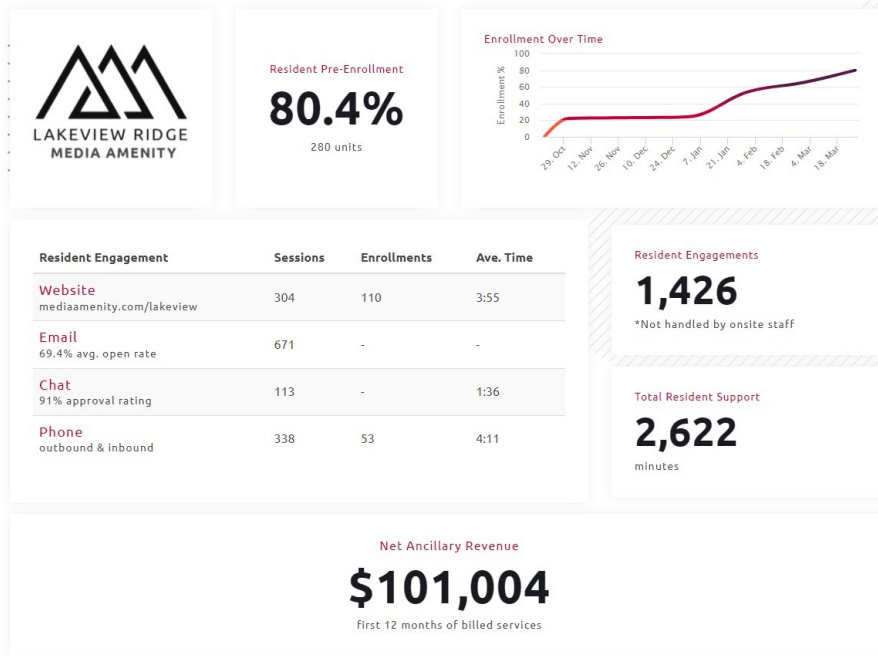

05 *Program Reports*

It starts from where you are today. We'll analyze your current telecom contracts, find and forecast bulk opportunities, and show you where you stand today (while outlining what's possible tomorrow). Already have a telecom consultant? No problem—we'll help them out.

# The TurnKey Experience

LEARN HOW

## Why properties choose Onboard

### Results driven bulk programs

Generate revenue and save residents money, hassle-free.

### Streamlined Negotiation

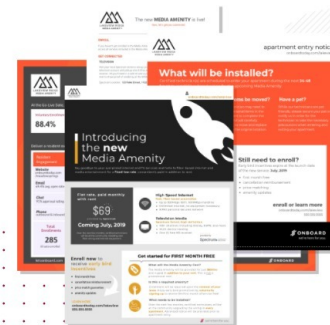

We'll review your portfolio, request provider bulk bids, negotiate deal points, review contract redlines, and streamline the whole process.

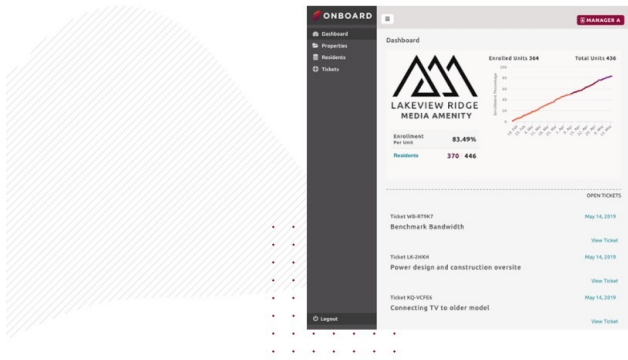

### Financial Security

We use a heavy dose of property and provider data to project and capture bulk program revenue; in other words, we don't guess.

### Integrated Platform

We have API's with Yardi, RealPage, Entrata, and others to directly help residents, track charges, and shield your onsite staff -- all with visibility.

### Fully managed and supported

TurnKey addresses each community with a personal approach.

### Custom marketing

Staff and residents get the info and resources they need via website, email, phone, chat, text, and door flyer.

### Program management

Boost program adoption, help residents access services, track billing charges, monitor support tickets, and stay ahead.

### Community support

Dedicated real-time support from people who personally understand your property, residents, and bulk program objectives.

## With you every step of the way

We employ a team of friendly support agents, expert negotiators, and experienced programmers.
