

EDUCATION

## Lessons in Life and Language

APT's educational programming inspires students to revel in words. We serve over 10,000 students annually with a variety of programs, both on the APT campus and in the classroom. Our programs support educators with tools and techniques to foster students' exploration of - and delight in - language.

### PROFESSIONAL TRAINING WORKSHOPS

New professional development workshops with actor Kelsey Brennan.

### STUDENT MATINEE SERIES

Fall school-day performances produced with your students in mind.

### THE POTENCY OF POETRY

Exciting and Inciting Students with the Possibilities of Words and Language.

### RESOURCES

Enrichment resources for you and your students.
