## HNA Live - ArcAcademia

As a group constantly striving for knowledge, HNA Live is working to create a more career-oriented learning experience.

HNA Live - ArcAcademia is a highly accelerated internship program meant to get the most passionate big data scholars with real-world technological applications and business world experience. Our interns will have had the opportunity to engage in:

- Big Data Business Stewardship
- Big Data Architecting, Engineering & Intelligence Application
- Continuous Professional Feedback Loops

Stay tuned as HNA Live looks to begin our collaboration with universities and institutions nationwide.

### ABOUT HNA LIVE

HNA Live arms real estate & manufacturing experts with actionable big data insight.

Optimizing 📈 time & maximizing ✅ profits.
