Our Insurance Programs Offer More and Cost Less.

Bolton Street Programs is a leader in creating and administering successful affinity programs for associations and industry groups. Ranked among the nation's top 25 privately held insurance brokers, we leverage our market clout and longstanding connections with the foremost insurance carriers to create unique programs that meet the needs of select associations or industry segments and deliver them at a price few associations (or businesses) could negotiate on their own. The resulting programs combine outstanding coverage, services, pricing and expert loss control to lower costs and improve the overall level of insurance protection for policyholders.

Best of all, you can take advantage of our programs' premium savings, increased coverages and state-of-the-art claim management while still maintaining your current broker relationship. When you partner with Bolton Street Programs, you will benefit from:

management while still maintaining your current broker relationship. When you partner with Bolton Street Programs, you will benefit from:

- **Competitive commission percentages.**
- **No minimum premium volume commitment.** While there is no minimum, once our broker partners place in one of our programs, they usually continue to do so.
- **Easy submission processes.** With each program, we provide an administrator you may contact if you need additional information or assistance as well as easy downloadable applications.
