

We provide all management and administrative services to our subsidiaries including but not limited to safety, fleet, and recruiting. We offer dedicated transportation and logistics services to a variety of retailers and shippers across the nation. Our competitive edge lies in our flexible use of technology, enabling us to provide the kind of VIP service that most large players simply can't.

Our vast experience and white-glove approach give our customers the peace of mind they need to stay focused on what they do best while enjoying integrated tracking solutions and 24/7 real-time updates.
