SEASON 1 SEASON 2 RETURNING TO YOUR FIRST LOVE

Welcome to 78:4 Season 1!

Season 1 is more or less a journey. In our first episodes, we center on how our relationship with God influences the ways we perceive ourselves, the ways we perceive Him, and how that affects the ways we live with Him. Next, we look at ways to grow in our relationship with the Lord. And finally, we look at some of the actions that flow from our growing relationship with Him.

Psalm 78 tells what happened to one of the tribes of Israel when they'd forgotten all that God had done for them. But in verse 4 the author, who has learned from their mistakes, emphatically says, "We will not hide these truths from our children; we will tell the next generation about the glorious deeds of the Lord, about his power and his mighty wonders." Well, that's what this podcast is all about. Listen to Matt and Bob as they describe what you'll hear this season.

Merriam-Webster lists 17 definitions for the word "broken"; among them are "shattered," "not working properly," and "violated by transgression." A piece of pottery broken beyond repair is thrown away. But what about people? What happens when we're broken beyond repair? Does God throw us away when we're broken, or can He fix us? In today's episode, we'll hear from three deeply broken people who were not only repaired but transformed.
