The Blissful Horses Simply Clean Sheath Cleaning Butter

It Simply Cleans Your Horse's Sheath...Without Water

Simply Clean Sheath Butter literally just cleans the horse's sheath. That's it. Just scoop some out with your gloved hand, put it on, pull out the gunk, find/remove bean and boom, you're done. No rinsing, no water needed, you're done. TAH DAH!

LET US REPEAT...NO RINSING NEEDED!

We know the concept of leaving the sheath butter/cleaner on there is different. Hear us out. Simply Clean Sheath Butter has no active ingredients, just all natural fats, oils, butters and such. Think of it as us using a leave-in conditioner and leaving it on our hair.

Simply Clean Sheath Butter in 4, 8 & 16 oz Tins
