The moment when Harry enters Ollivander’s shop and finds his wand is one of the most enchanting and memorable scenes in the books and movies!

This officially licensed product is a miniature replica of the 11” long holly wood and phoenix feather core wand owned by Harry Potter. His wand was described by Garrick Ollivander to be an unusual combination of wand core and wood and the feather used was donated by Fawkes, Albus Dumbledore’s Phoenix. Harry’s wand was notably damaged irreparably but was fixed by the power of the Elder Wand.

Size: The silver-plated Wand Necklace is approximately 12 cm (4.72 inches) long, has a chain length of 85 cm (33.4646 inches), and comes in an Ollivander’s Gift Box.
