FAQ

- What is 100% Ticket Protection? +
- What if I already have a Spartan Fit App subscription? +
- What if I already bought a Season or Trifecta Pass? +
- When do I get billed for my membership? +
- How do I manage or cancel my subscription? +
- How do I redeem my 20% off merchandise benefit? +
- Where do I manage my billing information? +
- How does my guaranteed wave time work? -

When you register for a race in the Open Category you will have the option of selecting a wave time. This selection will be guaranteed to you on race day. If you wish to race as part of a team this guaranteed time does not extend to other members of your team. If you are part of a team, your start time may change to a different start time in the same time block to accommodate your team.
