The image is a screenshot of a web browser displaying the Republic Realm website. The browser's address bar shows the URL "republicrealm.com". The website has a dark blue header with the Republic Realm logo on the left and navigation links for "Developments", "Investments", "NFTs", "Education", and "Media" on the right. There are also social media icons for email, Twitter, YouTube, Telegram, and Discord. The main content area features a large Republic Realm logo, followed by a bold headline: "Republic Realm is one of the most active investors in and developers of the metaverse real estate ecosystem." Below this, there are three paragraphs of text: "We invest in, manage, and develop assets including NFTs, virtual real estate, metaverse platforms, gaming, and infrastructure. Today, we are among the largest landowners in Axie Infinity, Decentraland, The Sandbox and Treeverse.", "We have holdings in 23 metaverse platforms and own over 2,700 NFTs.", and "We develop our own metaverse real estate NFT projects, including:". The third paragraph is followed by a bulleted list: "• Metajuku, the first metaverse shopping mall with retail tenants and leases", "• Fantasy Islands, a luxury, master-planned real estate development in the Sandbox metaverse, and", and "• Republic Realm Academy, the first online university set in the metaverse and driven completely by tuition NFTs." Below the list, it says "We have two gaming guilds in formation, including one that is a DAO." At the bottom, there is a section titled "What is the metaverse?" with a line-art illustration of a city skyline and a definition: "An alternate digital reality where people socialize, work, play, and transact. Metaverses built on the blockchain are self-contained virtual cities and economies that simulate real-world interactions."

Republic Realm™

Republic Realm is one of the most active investors in and developers of the metaverse real estate ecosystem.

We invest in, manage, and develop assets including NFTs, virtual real estate, metaverse platforms, gaming, and infrastructure. Today, we are among the largest landowners in Axie Infinity, Decentraland, The Sandbox and Treeverse.

We have holdings in 23 metaverse platforms and own over 2,700 NFTs.

We develop our own metaverse real estate NFT projects, including:

- Metajuku, the first metaverse shopping mall with retail tenants and leases
- Fantasy Islands, a luxury, master-planned real estate development in the Sandbox metaverse, and
- Republic Realm Academy, the first online university set in the metaverse and driven completely by tuition NFTs.

We have two gaming guilds in formation, including one that is a DAO.

What is the metaverse?

An alternate digital reality where people socialize, work, play, and transact. Metaverses built on the blockchain are self-contained virtual cities and economies that simulate real-world interactions.
