Learn How Apply Now

Create fast, affordable office space anywhere you need it with these easy to assemble, high quality modular inplant offices. Ideal for industrial warehouses, factories or facilities. Your order includes everything you need to construct a complete four wall enclosure. Detailed installation instructions with an illustrated parts list is included with every order. Class C wall panels include a prefinished vinyl covered hardboard laminated to a solid EPS core for excellent sound control and thermal insulation. Recommend clearance height to be at least 9' to ensure the metal roof deck can be easily installed.
