

MONOLITH

Monolith Series from Monoprice

The best value in high end audio. Performance driven products at value driven prices.

Monolith Subwoofers

The Monolith THX certified subwoofer sets the standard for bass output, low distortion, and affordability. With chest thumping bass that plays down to well under 16Hz, the Monolith THX Subwoofer unleashes cinema level volume, with the ability to convey and articulate the subtle nuances of music.

Monolith Speakers

THX Certified

The THX® Speaker Series has been engineered to deliver the highest level of accuracy and reproduce all the dynamics and detail of the best home theater soundtracks and music. Each speaker has been THX certified, ensuring optimal frequency response, dispersion, and low distortion. THX certification ensures that the sound from the speaker is as the audio engineer intended. Premium drivers, THX certification, a sophisticated crossover network, and an HDF cabinet ensure that you've never experienced home theater sound this dynamic, detailed, or immersive.
