We are Disrupting the Medical Talent Industry

Decrease job turnover and improve cost savings while optimizing and streamlining job placement.

No Third Party Recruitment

Deal directly with your future employer without underlying recruitment bias. By-passing third party commission allows employees to be paid more and employers to save more.

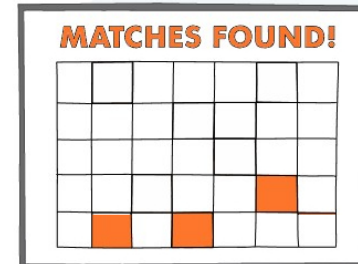

All About Transparency.

Never worry about the fine print! Contract details are broken down and presented in a simplified format for optimal transparency.

Unique Jobs Require Unique Candidates

Solving problems of today's out-dated and flawed job search by utilizing special metrics and matching algorithms specific to you and your profession.

Jobs Made Easy.

Never again scour the web searching fragmented job boards for your ideal career. No cold calls required. Instead, let our software do the hard work for you.s

Our Mission

We help automate the hiring process by incorporating AI, advanced analytics, medical insight and more. We aim to decrease industry turnover and burnout by promoting smart, transparent decisions for all.

Our unique, holistic approach addresses talent discovery, acquisition, engagement & consulting. We are excited for the future as we expand our services for our valued clients.
