Enter the mythical world of Awaken, an ancient land held together only by the elements that brought it into existence. Peace is now being torn apart as the former King has disturbed the balance and brought the continent to the brink of destruction. As the constant struggle between light and darkness wages on, It's time to join the battle and awaken your inner hero!

Overall pretty good. This game excels in it's character models and various modes. Having played games that this game is heavily inspired by, i was pretty critical in the beginning, i decided to give a shot and play it with an open mind and I have to say I'm really enjoying it now. I knocked off a s

Excellent! While the game style isn't the most original, the assets are awesome! A lot of work has gone into created a unique look to this game, and is head and shoulders above the rest in like genre. The notifications are buggy, sometimes just say "Century game" and "century link" or some such. Oth...

Love this game, just what I needed after a bad experience with another gacha. This game has exactly what I wanted so dearly from seven knights 2, and that is simply "Fun". This game is very addictive, and I actually find myself getting immersed in this world of magic for hours. I don't feel forced t...

I'm very disappointed with your new release on this game. When it first came out it worked perfectly and didn't have any issues but I can't even get through the stages with out a loading issue linked to your server. And I'm constantly getting kicked from the game and having to restart or retry the s...
