Emergency Assistance Button

Engaging the Emergency Assistance button in your vehicle can connect you with a 24/7 response center agent who can request dispatch of necessary emergency services to your vehicle's location in case of a medical or other emergency on the road.

Enhanced Roadside Assistance

At the press of the Emergency Assistance Button, you can connect with 24/7 Roadside Assistance, which gives you the peace of mind that help is on the way.¹⁶⁴

Automatic Collision Notification

Our 24/7 response center is automatically notified in the event of an airbag deployment or severe rear-end collision. The 24/7 response center agent will attempt to speak with the vehicle's occupants and then notify local emergency services to request dispatch of emergency services to the vehicle's location.

Collision Assistance

Collision Assistance offers a guided experience enabling you to better control the post-collision process all from the convenience of the Toyota app.
