BEST-SELLING MODELS

One of our most popular choices is the RX. Bundling luxury, comfort, and practicality into a beautifully sporty crossover SUV, the RX is perfect for commuters and small families alike. It offers ample cargo space, generous legroom, and an impressive list of modern technologies.

Delivering unbeatable bang for the buck is the economical and compact NX. Our customers love its modern, crossover-SUV style and affordability at the pump. Coming in at a slightly smaller size and lower sticker price than the RX, the NX is perfect for anyone? from a first-time buyer to a professional road warrior.

Make a memorable first impression with the sleek and luxurious ES. This classy midsize sedan boasts tons of curb appeal and high-end features to get you where you need to go in exceptional comfort and style. Perfect for almost any driver with sophisticated tastes.

Prepare for your next adventure with the powerful GX 460. Packed with technologies that are as equally impressive off-road as they are on, this midsize luxury SUV has it all. With three rows of seating and plentiful cargo and towing capabilities, the GX 460 makes anything from camping to road trips a treat for the whole crew.

Students, commuters, and first-time buyers alike will love the IS. With its sporty, sleek styling and intuitive functionality, it's no wonder why this compact luxury sedan is one of our most popular models. Choose from a range of trim levels and engine options to make your IS your very own.
