★★★★★  
**Customer Reviews**

"Excellent customer service and our long-standing water problem has finally been solved thanks to Carolina Basement Solutions!"

-Cindy G. Spindale

### A Family of Experts

Carolina Basement Solutions is a family-owned and -operated organization dedicated to helping you safeguard your home and family by solving your basement and crawlspace issues. Our experienced team takes pride in being prompt, trustworthy, and reliable to bring you the best possible service.

## Why Choose Carolina Basement Solutions?

- ✓ **Experienced team** - All of our team members have one common goal: to provide our customers with the best and most affordable solutions and services, which are second to none.
- ✓ **Affordable solutions** - We work hard to bring our customers the best mix of quality and affordability. We also offer multiple financing options to help NC & SC residents fit our services into their budgets.
- ✓ **Quality Work** - We use only the most reliable systems and products available, which are installed by dedicated and trained professionals.
- ✓ **Local to the Carolinas** - We are proudly family-owned and -operated in the Carolinas. This means we have extensive experience working with the challenges presented by the Southeast's humid environment and red clay soil.
- ✓ **Guaranteed** - We proudly stand behind our products and services with warranties that range from one year to life of structure.

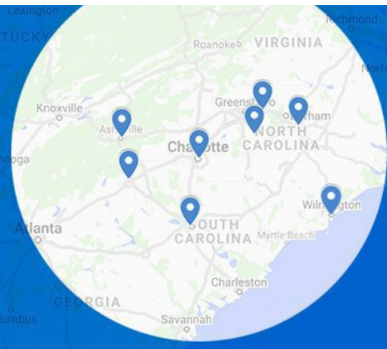

# Proudly Serving North Carolina and South Carolina

We are local to the Carolinas and we proudly serve Upstate South Carolina, Western North Carolina, Charlotte-metro, NC Triad and NC Triangle.

Our Service Areas Include:

Charlotte | Raleigh/Durham/Chapel Hill | Greensboro  
Winston-Salem | Asheville | Fayetteville | Hickory  
Greenville, SC | Wilmington | Columbia, SC | Spartanburg, SC  
And Surrounding Areas

## Financing Available

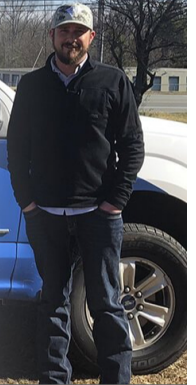

In an effort to help our customers fit our services into their budgets, Carolina Basement Solutions offers various methods of payment. In addition to traditional methods of payment (cash, checks, and credit cards) we offer same-as-cash loans and traditional low fixed interest rate loans.
