About Kuzco Lighting

The Kuzco Lighting Collection at Lighting New York brings inspiration to your contemporary home. Find sleek and opulent modern options in this stunning collection.

Modern Indoor Options

Shop flush and semi-flush mount ceiling lights in bold geometric designs that feature sleek black and white tones or metallics like brushed nickel and chrome. Also find wood tones and crystal details that add flair to sleek modern lines. The chandeliers and pendants from Kuzco lighting highlight mixed metals like brushed gold, polished nickel and brass in vibrant abstract designs. Indoor wall sconces and bathroom vanity lights echo these contemporary styles with sleek shapes repeated for a dazzling effect on vertical and horizontal lights. Also find discreet track and recessed lighting options, as well as floor, table and desk lamps in simple, striking shapes.

Contemporary Outdoor Lighting

Keep the focus on your home's architecture or landscaping with sleek, understated outdoor lighting options. A clean palette of black, white and gray combines with touches of metal for wall lights, ceiling lights and post lights that blend into the background while highlighting your outdoor spaces. Create the contemporary feel of a museum setting with geometric pathway lighting in black, white or brushed nickel leading the way through your garden. Kuzco Lighting's modern take on outdoor table lamps adds a clean touch to deck tables.

Kuzco Lighting Collections

Find inspiration for your modern home in Kuzco's designer collections. Tailor your master bath or home cinema lighting with unobtrusive, low-profile ceiling lights from the Broadway Collection that offer bright, diffuse lighting that's dimmable. Add an eye-catching centerpiece to any room with contemporary pendants and sconces from the Supernova Collection that features bold geometric designs in a variety of metals and glass.
