Are you still open to new opportunities?

Hi there,

Thank you for your interest in Talent by Blind. We've noticed that you have not yet joined our Talent pool and was wondering if you would still be interested in receiving more offers from the most innovative and fast-growing companies.

It only takes 5 minutes to unlock new opportunities. We don't ask for any cover letters or require you to put in your experience all over again. Just tell us a little bit about yourself and we'll do the rest for you to get you in front of the companies that are actively hiring. With one single application, sit back and let more opportunities come to you.

Ready to try it out? Please have your resume ready and submit your information via this form here:

<https://bit.ly/3erZD1N>

Once you fill out the form we will create a profile for you and share it anonymously with the companies. Your profile will be kept anonymous and only be shared fully when you give us consent to do so. Stay anonymous and take control of who you would want to talk to. And of course, your profile will be 100% confidential from your current and past employers.

If you have any questions or have trouble filling out this form, please contact us at support@talentbyblind.com.
