COPY OF OUR LICENSE

We are a startup cannabis dispensary currently awaiting licensing from the New York State cannabis board. Currently the sale and growing of cannabis is still illegal in the state of New York even though possession of up to 3 oz is legal for age 21 and older.

We are a dealer with many grow and hydroponic equipment suppliers and can offer discounted pricing.

Follow this website for updated information and current status of ROC Dispensary and Hydroponics

Our Promise to You is to provide the highest quality cannabis using only the highest quality organic products at competitive prices while being more eco friendly by using energy efficient LED grow lights and eventually going 100% green energy.

We believe in using only organic products to ensure the safety of not only the environment, but also the health of the consumer.
