

California

COVID-19 RESPONSE

CORE is providing free COVID-19 relief throughout California.

In partnership with community-based organizations and local governments, we are operating vaccination, testing, and more at fixed and mobile sites across the state, with a focus on serving hard-hit and vulnerable populations.

Los Angeles

CORE is providing free COVID-19 vaccinations, testing, and additional resources to all eligible individuals in Los Angeles County with our partners.

[GET FREE RESOURCES](#)

Oakland and Alameda County

CORE is providing free COVID-19 testing at sites throughout the City of Oakland and across Alameda County, in proud partnership with Alameda County Health Care Services Agency and Fulgent Genetics.
